1. Sexual Misconduct

1.1 GCA understands Sexual Misconduct includes instances of:

- Sexual Harassment (“SH”)
- Sexual Assault (“SA”)

1.2 Sexual Assault and Sexual Violence

GCA understands Sexual Violence to be instances of:

- Sexual Assault;
- Sexual Threat

- 1.2.1 GCA understands that Sexual Violence involving a physically violent and/or coercive component, or threats of physical violence, such as physical molestation or assault, may constitute a criminal offence. Any individual who is subjected to such incidents should seek advice and support concerning reporting the matter to the police and/or the NSW Rape Crisis Centre. GCA has a separate policy on Sexual Harassment.
- 1.2.2 GCA understands that Sexual Violence may be perpetrated or experienced by people of any sexual orientation or gender identity.
- 1.2.3 GCA understands that Sexual Violence may be a single incident or a persistent pattern of unwelcome behaviour.
- 1.2.4 Unwanted sexual touching and incidents that occurred before the age of 16 are not included; GCA considers this Sexual Abuse and mandatory reporting to police conditions apply.

1.3 Sexual Assault

GCA understands Sexual Assault to be unwanted sexual acts or behaviours which an individual did not consent to, or was not able to consent to, through the use of physical force, intimidation or coercion, including but not limited to:

- aggravated sexual assault (sexual assault with a weapon);
- attempted rape;

These matters shall be reported to the police and be a mandatory reporting matter.

2. Scope

2.1 Legislative Controls

- 2.1.1 A SASH Task Force, shall be formed and meet on a quarterly basis to oversee the interests and responsibilities of GCA in regards to all matters relating to the management of all sexual assault, and sexual harassment matters. Membership shall be led by the Director, Human Resources with the committee also comprising the Executive Dean, and Provost. The SASH Task Force

shall report to the Executive Management Committee whom shall table and review each SASH Task Force report and Minutes.

- 2.1.2 GCA understands that, under the Commonwealth *Equal Opportunity Act (1999)*, the Commonwealth *Sex Discrimination Act (1984)*; the *Anti-Discrimination Act 1977 (NSW)*, and the *Fair Work Act 2009*, that Sexual Misconduct in employment, education, accommodation and in the provision of goods services and facilities is unlawful.
- 2.1.3 GCA understands that under the *Workplace Health & Safety Act 2011 (NSW)*, including the *Workplace Health & Safety Act Regulations 2017* an employer is required to take remedial and preventative action, including disclosure of necessary information, in response to allegations of Sexual Misconduct, including but not limited to where:
- there is a threat of physical harm or danger to an individual;
 - GCA's Duty of Care to Employees or Students may be compromised if no action is taken;
 - there is an activity considered serious misconduct under the *Crime Commission Act 1991 (NSW)* that GCA is obliged to report.
- 2.1.4 GCA has both legal obligations and a Duty of Care to all its Employees and Students which may take precedence over the desire of a Complainant for confidentiality. Duty of Care considerations will include an assessment of the safety of people involved in the matter, and may require Employee relocation or adjustment of duties and reporting lines, or GCA timetable, while the matter is addressed.

2.2 Institutional Scope

- 2.2.1 The scope of this policy extends to all GCA Community premises and includes but is not limited to GCA:
- campuses;
 - sporting and recreational clubs and facilities to the extent that they fall within GCA Community
 - managed digital environments;
 - activities and situations related to GCA business that are not conducted on GCA premises, including but not limited to:
 - field trips
 - conferences
 - students camps
 - inter-GCA events
 - parties and other social functions.

2.3 Sexual Misconduct on a Premises Outside of GCA Community

- 2.3.1 GCA understands that a member of GCA Community may, while performing duties as an Employee, as a Student or as any other individual while undertaking official duties for GCA, experience Sexual Misconduct on premises outside of GCA Community. GCA will liaise with the responsible authority to ensure proper procedures will be followed and will continue to provide support services.
- 2.3.2 GCA understands that Sexual Misconduct conducted on a digital environment not managed by GCA will also be subject to this policy.

2.4 Individual Scope

2.4.1 The scope of this policy extends to all members of GCA Community, including but not limited to:

- GCA's professional staff;
- GCA's academic staff;
- GCA's students;
- persons not employed by GCA that undertake official duties for GCA.

2.5 Sexual Misconduct by an Individual Outside of GCA Community

2.5.1 GCA understands that a member of GCA Community may, while performing duties as an Employee, as a Student or any other individual while undertaking official duties for GCA, experience Sexual Misconduct by an individual outside of GCA Community. In such circumstances, GCA will liaise with the responsible authority to ensure proper procedures will be followed and will continue to provide support services.

2.5.2 The scope of this policy extends to all individuals of GCA Community performing duties as an Employee, as a Student or any other individual while undertaking official duties for GCA while performing those duties on premises outside of GCA Community.

3. Intent to Commit Sexual Misconduct

- 3.1 GCA, in accordance with the *Equal Opportunity Act 1999 (Cth)*, considers behaviour to be Sexual Misconduct if an individual harassed is, or has reasonable grounds for believing that rejection, refusal or objection to a request, advance or other conduct will disadvantage them in any way related to their working, studying or living environment. Disadvantage here also includes psychological and emotional distress affecting that individual's ability to pursue their usual work, study or individual activities.
- 3.2 GCA will not consider the intention of a Respondent in determining if Sexual Misconduct has occurred.
- 3.3 GCA will consider the perception of a recipient (the Complainant) of conduct by a Respondent in determining whether Sexual Misconduct has occurred.
- 3.4 GCA does not consider it necessary for the Complainant to have told a Respondent that their behaviour was unwelcome for the behaviour to constitute Sexual Misconduct.

4. Employee and Student Rights and Responsibilities

- 4.1 GCA understands that all Employees and Students have a right to participate in an environment free from Sexual Misconduct. GCA expects all Employees and Students to prevent Sexual Misconduct and contribute to maintaining a campus culture of inclusivity and respect, and to uphold the rights of Employees and Students to fair treatment.
- 4.2 GCA expects all Employees and Students to comply with the *Equal Opportunity for Women in the Workplace Act 1999 (Cth)*; *Commonwealth Sex Discrimination Act 1984*, and *Fair Work Act 2009*, and all other relevant legislation.

4.3 Vexatious Complaints

If the complaint is found to be vexatious, GCA may take action against the complainant employee under GCA's misconduct procedures contained within the Higher Education Industry – General Staff Award 2010 (including all amendments up to 20 June 2019), or other relevant Award, as appropriate.

4.4 Conflict of Interest

4.4.1 No individual should be placed in a situation where there is real or perceived conflict of interest. If a complainant or respondent believes that a real or perceived conflict of interest exists when a matter involving them is to be investigated, they can ask for an alternative case manager to be appointed.

4.4.2 A conflict of interest includes any circumstance, whether actual or perceived, arising from conflict between the performance of public duty and private or individual interests. All parties involved in the preliminary inquiry into and possible resolution of complaints of sexual harassment will ensure:

- they have no conflict of interest or bias in relation to any party to the complaint;
- there is no perception by the parties that a conflict of interest exists;
- they adhere to GCA's Code of Ethics and Code of Conduct;
- Individuals who have concerns about perceptions of possible conflict of interest or partiality should exclude themselves from the process, refer their complaint to their Manager, or seek advice from within Human Resources.

5. Supervisors and Managers

5.1 GCA expects that Supervisors/Managers take appropriate action using the procedures associated with this policy when they become aware of instances of possible Sexual Misconduct, even without a complaint being lodged.

5.2 GCA expects Supervisors/Managers to manage Sexual Misconduct appropriately and contribute to maintaining a campus culture of inclusivity and respect, and to uphold the rights of Employees and Students to fair treatment by:

- making sure Employees and Students are familiar with this policy
- modelling exemplary behaviour in this regard themselves
- ensuring that Employees and Students are aware of GCA's Code of Ethics and Code of Conduct
- making known names and locations of Employees, who are able to provide preliminary advice and assistance
- taking early action when they become aware of instances of possible Sexual Misconduct, even without a complaint being lodged
- following up promptly when a Sexual Misconduct matter is raised.

6. Breach of Policy

6.1 Failure to comply with this policy by a member of GCA Community may be considered a breach of the Code of Ethics and Code of Conduct and may result in disciplinary action.

Procedures

7. Seeking Support

Someone who has experienced Sexual Misconduct can seek support from a range of people across campus and external to GCA, however, matters of sexual assault should be referred directly to the police.

7.1 On Campus:

- 7.1.1 Employees and Students
hrm@gca.edu.au for issues of safety on campus, or speak to Student Services on a private and confidential basis.

7.2 External:

Refer Schedule 1 of this policy.

8. Disclosures and Reports

- 8.1 An Employee or Student who has been subject to a sexual assault should make contact with the police, and the NSW Rape Crisis Centre.

9. Making a Disclosure

- 9.1 Disclosures are made to the Disclosure Officer. Appointments can be made by email disclosure@GCA.edu.au
- 9.2 No information about the Sexual Misconduct is required in the email; just a statement that the individual wishes to make a Disclosure, their full name, and their student/employee ID.
- 9.3 A support individual such as a friend, family member, colleague or Student Assist Officer can attend a meeting and where unable to come onto campus, the Disclosure Officer will negotiate an alternative method of contact.
- 9.4 A Disclosure does not have to relate to a current or recent matter, and does not have to involve a member of GCA Community.
- 9.5 Where Sexual Misconduct is first raised with another Employee, that Employee will support a referral to the Disclosure Officer.
- 9.6 The Disclosure Officer will:
- advise on support services both on campus and external to GCA
 - discuss support that may be available including:
 - safety planning and implementing safety measures
 - temporary work reassignment, location reassignment, or scheduling changes
 - retain a summary of the Disclosure without any individual identification for GCA reporting process.
 - create a confidential file where accommodations are sought to retain a record. These records are not stored in a student or employee file.

- make appropriate support services available to members of GCA Community on the basis of a Disclosure, regardless of whether there is a Report; a report to the police; or a report to a support agency such as the NSW Rape Crisis Centre.
- 9.7 In seeking accommodations, the Disclosure Officer needs to identify the individual for whom they are being sought, but does not need to provide any details about the Disclosure.
- 9.8 To the greatest extent possible, GCA will respect an individual's choice to not make a Report and will keep the Disclosure confidential. In exceptional circumstances, where required by law or where there is a risk of significant harm to that individual's health and safety or another individual's health or safety, and at the sole discretion of the Disclosure Officer, GCA may do one or both of the following:
- refer the matter to the Director, Human Resources as a Report in which case the individual who Disclosed has the right not to participate in any subsequent Investigation;
 - notify third parties, such as the police or child protection authorities.
- 9.9 If GCA takes any action under clause 9.8, the Disclosure Officer will notify the individual who made the Disclosure and will ensure that appropriate support services are made available to them.

10. Making a Report

- 10.1 Anyone directly subjected to Sexual Misconduct, including an individual who is not a member of GCA Community, can make a Report against a member of GCA Community. Reports can be made by:
- emailing to the Director, Human Resources (hrm@gca.edu.au)
 - submitting a Report online (through the Complaint Submission Form)
 - making an anonymous Report (noting action may be limited)
 - making an appointment with the Director, Human Resources
- 10.2 Anyone directly subjected to Sexual Misconduct, including an individual who is not a member of GCA Community, can make a Report against a member of GCA Community. An individual who is subjected to Sexual Misconduct and makes a Report is called the Complainant.
- 10.3 An individual can submit a Report to GCA and pursue other processes external to GCA, including reporting to the police, Equal Opportunity Commission or the Australian Human Rights Commission.
- 10.4 If GCA commences an investigation and an external process is also being pursued, GCA may continue or suspend its investigation (after consultation with the Complainant).
- 10.5 All Reports are received by the Director, Human Resources. This includes anonymous reports.
- 10.6 A Report to GCA does not normally result in a report to the police, although in exceptional circumstances, where required by law or where there is a risk of significant harm to anyone's health or safety, GCA may have to notify third parties, such as the police. If such action is

taken, GCA will notify the Complainant and will ensure that appropriate support services are made available to that individual.

10.7 Any Report received will be assessed to check a number of matters including:

- any safety or other risks associated with the Report and any investigation arising from it;
- where the Report was not made by the individual directly affected, that they are advised of the Report and are able to talk about the Report and the anticipated process that GCA will take to consider it;
- that there is sufficient information to proceed;
- that where Reported by the individual directly affected, the individual understands the complaint process and possible implications for them, before making a Report;
- the appropriateness of having the complaint investigated only under the Complaint Policy, or if there are allegations that need to be investigated under GCA's applicable discipline process;
- Human Resources will be notified of any Report in which an Employee is either the complainant or respondent. Reports involving only Employees will be managed by Human Resources, including any investigation or disciplinary process. Reports involving both an Employee and a Student will be managed by both Human Resources and the SASH Task Force.

10.8 Anonymous and third party reports

- 10.8.1 Anonymous Reports or Reports of Sexual Misconduct made by a third party (someone other than the individual who was directly subjected to the Sexual Misconduct) can also be submitted to the Director, Human Resources.
- 10.8.2 GCA may be unable to proceed with an Investigation involving anonymous or third party allegations due to a lack of evidence from the individual who was directly subjected to the Sexual Misconduct, or where proceeding would not allow for procedural fairness.
- 10.8.3 The Director, Human Resources may take other steps, including an approach via the third party to see if the individual affected would consider making a Report.
- 10.8.4 Where other sufficient evidence exists and where procedural fairness could be met, GCA may decide to proceed with an investigation. In such cases, the individual who was directly subjected to the Sexual Misconduct has the right to be advised of the investigation and not participate.
- 10.8.5 If GCA is unable to proceed with an investigation involving anonymous or third party allegations, the Report will be retained by the Director, Human Resources. It will be kept strictly confidential, and access to it will be limited.

10.9 Conflict of Interest

- 10.9.1 A perception of a conflict of interest may be seen to exist where it would be likely that an individual might reasonably fear that a more senior staff member managing a Report might be influenced by factors other than employment management considerations.

- 10.9.2 The same reasoning applies to an employee with teaching or academic supervision responsibilities where factors other than proper academic management considerations might also create a perception of bias in the mind of a student. While a conflict of interest must always be acknowledged, depending on the circumstances, it may not always be necessary to act upon such a conflict. However, if there is any doubt, advice must be sought from Human Resources (Employees) or the Director, Human Resources.

11. Investigating reports - complaint and discipline procedures

- 11.1 A Report may be investigated as a complaint and/or a discipline process. At any point in considering a Report where it is determined that there is sufficient evidence, or where the matter is serious, the matter can be referred directly into the relevant disciplinary process:

- for students - the associated Policies for student conduct and discipline;
- for employees - the relevant Higher Education Industry – General Staff Award 2010 (including all amendments up to 20 June 2019), or other relevant award.

11.2 Investigating Reports - complaint procedures

- 11.2.1 Where a Report indicates a matter that can be resolved informally or where there is insufficient evidence for referral to a discipline process, the Report will be considered under GCA Policy on: Student Complaint Resolution, or under the grievance procedures in the relevant Higher Education Industry – General Staff Award 2010 (including all amendments up to 20 June 2019), or other relevant award.
- 11.2.2 These complaint/grievance processes allow for informal resolution of matters and an investigation of a complaint matter where needed.
- 11.2.3 These steps should establish whether resolution of the matter can be achieved in a just, prompt and confidential manner at the local level.
- 11.2.4 Care should be taken not to pre-judge either party or to dismiss a matter as trivial. A range of strategies can be used in resolving the complaint whilst ensuring that principles of procedural fairness are observed.
- 11.2.5 The Director, Human Resources will appoint a Case Manager for each complaint made.
- 11.2.6 For the purposes of these procedures, an Employee responding to a complaint or allegation(s) of Sexual Misconduct is referred to as employee respondent and a Student responding to a complaint or allegation(s) of Sexual Misconduct is referred to as student respondent.
- 11.2.7 During either the informal or formal steps, a complaint investigation can meet the requirements of the initial inquiry stage of a discipline process. If disciplinary action is required, the matter should be referred to Director, Human Resources.
- 11.2.8 Where no matters are substantiated or identified as requiring consideration under the relevant discipline procedures, a complaint will be found not justified and closed. This decision can be appealed (procedures clause 12).

11.3 Initial (preliminary) inquiry

- 11.3.1 Where the GCA determines that a matter(s) arising from a Report may require disciplinary action, it should be referred to the Director, Human Resources whom will also take into account:
- for students - the associated Policies for student conduct and discipline;
 - for professional employees - **Higher Education Industry – General Staff - Award 2010**;
 - for academic staff - **Higher Education Industry—Academic Staff—Award 2010**;
- 11.3.2 This decision can be made on receipt of a report or during the complaint resolution process.
- 11.3.3 Where the immediate Manager/Supervisor of an employee respondent is not the appropriate case manager by virtue of conflict of interest, because they are not an Employee or it is otherwise unsuitable, an alternative individual will be appointed to conduct the preliminary enquiry. This alternative individual shall be determined by the Director or Human Resources.
- 11.3.4 Where an initial inquiry determines that an allegation does not meet the required standard of proof, no further action will be taken.
- 11.3.5 Where an initial inquiry determines that an allegation is of sufficient substance GCA will investigate under the relevant discipline procedure.

11.4 Investigation

- 11.4.1 All parties to an investigation will be afforded procedural fairness and have the right to have a support individual with them.
- 11.4.2 The Director, Human Resources will investigate, or cause to be investigated, an allegation of Sexual Misconduct. Where the respondent is an employee, this will be referred to Employee Relations. Where the respondent is a student, the investigation will be undertaken by the Director, Human Resources. Both areas responsible for an investigation may appoint an external investigator.
- 11.4.3 The Executive Dean and/or Director of Human Resources will consider and determine the suspension of an employee respondent during an investigation or termination. These decisions will be made in accordance with the relevant Higher Education Industry – General Staff Award 2010 (including all amendments up to 20 June 2019), or other relevant Award.
- 11.4.4 The Executive Dean and/or Director of Human Resources will consider if a student respondent should be suspended during an investigation and any determination of exclusion or expulsion will be made in accordance with the policies for student conduct and discipline.

12. Appealing GCA decisions

- 12.1 A **complainant** who is unhappy with a GCA decision under the complaint/grievance procedures may further appeal in accordance with GCA policies, or the relevant industrial award such as Higher Education Industry – General Staff - Award 2010 (including all

amendments up to 20 June 2019), or Higher Education Industry—Academic Staff—Award 2010 incorporates all amendments up to and including 20 June 2019 (PR707416). External third-party appeal mechanisms are also available.

- 12.2 A **respondent** who is unhappy with a GCA decision regarding an allegation of Sexual Misconduct may appeal in accordance with GCA policies, or the relevant industrial award such as Higher Education Industry – General Staff - Award 2010 (including all amendments up to 20 June 2019), or Higher Education Industry—Academic Staff—Award 2010 incorporates all amendments up to and including 20 June 2019 (PR707416). External third-party appeal mechanisms are also available.
